

# PowerSchool Access

The [PowerSchool Parent and Student Portal](#) is available for parents and students to check current grades and attendance.

## Parents

1. Visit <http://pspasswords.berkeley.net> to get your Access ID and Access Password. Note: this site is updated monthly so if your student is a recent enrollee you will need to call the [Parent Resource Center](#) at (510) 644-8524 to retrieve your Access ID and Password.
2. At <http://ps.berkeley.net> click on the “Create Account” button.
3. Enter all information about yourself and your student. For parents with multiple students, separate Access IDs and Access Passwords must be retrieved and entered for each student.

There is a [help document](#) available to walk you through creating a new account. If you need additional assistance accessing PowerSchool, call the [Parent Resource Center](#) at (510) 644-8524.

## Students

Your PowerSchool user name and password is the same as your Berkeley HS email username and password (without the “@students.berkeley.net” part). If you do not know what that is, ask any teacher for assistance or email [Matt Albinson](#).
