You may not clear: Tardies, Teacher or Substitute errors, Field Trips, testing, BHS Activities, or Athletic absences. If your child was marked absent or tardy due to teacher error, do not contact the Attendance Office. Instead, please contact the teacher so it can be corrected. Absences due to Athletics are cleared through the Athletic Director's Office. Please contact them at athleticdirector@berkeley.net.

Due to the high volume of emails we receive daily, we do not respond to emails sent to attendanceOffice@berkeley.net, it is for student clearances. Berkeley High School Attendance Policy:

1. You have **five school days** upon return from an absence to clear your child's attendance. If you do not clear your child's attendance within five school days all unverified (UNV) will change to unexcused (UNX). Students must check teacher's syllabus regarding attendance policy.
2. **Absence due to illness or medical appointments:**
 - a. If a student missed three consecutive days due to illness, or 30 periods in a semester, you must provide a medical note. Absence will be cleared with the unexcused "UXI code if no medical note is provided.
 - b. A medical note must be provided for all absences due to medical appointments (this includes, but is not limited to doctor, dental, vision appointments). Absences will be cleared as unexcused "UXI" if no medical note is provided.
 - c. **Notification Regarding Excessive Absences Due to Illness:** If a student has excessive absences within the school year (has missed more than 10% of school days) for illnesses, then BUSD/BHS will send a letter of Excessive Absences due to Chronic Illness, The letter states that "any further absences for illness must be verified by a physician (BUSD Administrative Regulation 5113). Effective immediately, you will need to provide physician verification for all absences due to illness for your child for the remainder of the current school year. If physician verification is not provided, the absences will be recorded as Unexcused, UXI code. Excessive absences, including absences due to illness, can have a significant negative impact on a child's academic achievement."
 - d. *If your child suffers from a chronic illness that prevents him or her from attending school on a regular basis, we ask that you please contact his or her academic counselor, case manager, administrator or the independent studies office to learn about alternative academic options.*
3. **Planned Absence:** Planned Absences are for educational purpose only. If your child will miss five school days or more (20 at the most) for educational purposes, then a planned absence form can be picked up from the attendance office at least one week in advance. Your child must be in good standing with his or her attendance in order to have the Planned Absence approved. This is considered Short Term Independent study. Students will have to make up missed work and turn it in already graded to the attendance office to change an INC incomplete attendance code to a COM or completed attendance code.
4. **Clearing Unexcused absences:** Students are able to clear up to 12 "UNX" period absences from the previous month. **Every hour of Saturday School or Tutoring will clear one "UNX" period absence.**

Saturday School: Saturday School happens twice a month. Saturday School can be used to clear up to 3 unverified period absences from the previous month. Saturday school is from 9-12pm. Students must sign up in the attendance office before school, at lunch or after school. Saturday School is limited to 30 students only, sign up is on a first come, first serve basis.

Tutoring: Students may go to the College and Career Center after school, or teacher tutorials to clear absences. Please collect an Unexcused Absence Clearance Form from Mr. Laurel in the CCC to be filled out by your teacher.
5. Tardies "T" may not be cleared; only absences with an excuse will be cleared.
6. **School Activities:** If your child misses 30+ unverified period absences, and the absence is not excused, he or she will be excluded from school dances, such as prom; and will have his or her work permit denied or revoked.
7. **College visits** are considered excused absences if your child is a second semester Junior or a Senior in high school. The absence is excused for three consecutive days only, per California Education Code. First semester Juniors, Sophomores, and Freshmen cannot use this excuse to clear absences. Those absences will receive an "UXO" code, which can result in a truancy notification.
8. **Students 18 years and older** may clear their absences by completing a clearance slip in the attendance office. 18 year old students may not clear their absences by phone or email. We want to connect with each student every time they wish to clear an absence. If 18 year olds do not have valid reasons to clear absences, the absence won't be cleared.
9. **"Senior Ditch/Cut Day":** Senior students will be required to provide hard proof of their absence, such as a

medical note (if absence is reported for illness or medical appointment), in order to clear an absence on a known senior ditch day. Absences will be cleared as unexcused if no proof of absence is provided.

10. **You may not clear field trips or other school activities**, such as assemblies, testing (STAR, SBA, AP tests, IB exams), etc. Teachers are required to mark students absent when they are on a field trip. Those absences will be cleared by the teacher or staff member in charge of the activity after the activity has culminated. Please contact the teacher in charge or an administrator if an absence is not cleared.
11. **You may not clear teacher attendance errors.** Please contact your child's teacher directly; the teacher will then contact the attendance office to correct their error.
12. **BHS Athletic related absences (football games, basketball games, etc.) are cleared by the Athletic Director's Office not the Attendance Office.** Please contact the Athletic Director at athleticdirector@berkeley.net
13. Every day Berkeley High School sends automated phones to the families of students' who have missed one or more periods during the school day. The phone calls go out between 5pm and 8pm daily. Please make sure you have provided the correct contact information. If your contact information has changed please contact Berkeley High School at your earliest convenience.
14. **Please allow ten school days for processing of all attendance.**
15. Prom policy, refer to BHS web site.
