- Accreditation
- In 2012, BHS received a three year accreditation. The “revisit” will occur in March 2015. BHS staff needs to complete a self-study. The accreditation is based on what is written in the self-study and what they see during the visit. The Mid-term visit will include less people and will be shorter.
- Action Plan: We as a school decide what we want to improve upon
- The visit will focus on the goals outlined in the WASC Plan
- The Admin & Data team are currently working on the goals
