

We welcome all BHS Juniors and their families to the 2017 Case Studies Workshop and College Fair on Sunday, April 30th from 10am-3pm.

The **Case Studies Workshop** will be held in the C Building classrooms from 10 a.m.-11:30 a.m. It will give BHS juniors a firsthand understanding of how college admissions officers determine who they admit. College admissions counselors will go over several sample college applications to give students an overview of what college admissions officers look for, how they determine entry, and how to present themselves in their own college applications. This free event requires **pre-registration** by April 14th and is open to BHS juniors accompanied by one adult (space is limited). Registration is now open:

How To Prepare:

- Learn about the colleges of interest by checking their websites ahead of time.
- Prepare a short list of questions.
- Ask questions respectfully, allowing time for other students and families waiting in line. If you have more to ask, return to that college after circulating to other tables.
- Check the list of attending colleges, universities, and community colleges available in the College and Career Center.
- Be organized. Bring pencil and paper rather than writing on the college materials.
- Be respectful and kind.
- Dress in appropriate clothing.
- Do not use cell phones or headphones during the College Fair or Workshop.
- Keep quiet: keep personal comments to yourself as you pass by tables.

Both events are exclusive to BHS Juniors and their families.
