

FAMILY RESOURCES

GRAB & GO MEALS AND FOOD RESOURCES

Nutrition Services will offer healthy “grab & go” breakfast and lunch meals to students during distance learning. The Gardening and Cooking Program will continue to operate a food pantry with Berkeley Food Network. The District will post updated information on our Nutrition Services webpage as soon as the government (USDA) confirms meal service options.

Your student may qualify to receive lunch at no cost through the free/reduced price meal program. If you haven’t already done so, please fill out the free/reduced price school meal application form at ezmealapp.com.

ED HUB

THE ED HUB, a partnership with Berkeley Public Schools Fund, is a family’s one-stop location for technology and supplies that may be needed during distance learning. Task Runners, through the Berkeley Schools Volunteers program, will also be available to deliver supplies to families unable to access the Ed Hub.

LOCATION

Berkeley Adult School, 1701 San Pablo Ave.

SCHEDULE

Monday, 12:00-2:00 pm
