Dear Incoming 9<sup>th</sup> Graders,

The Berkeley High School Incoming 9th Grade Webinar will be held Thursday, December 2, from 6:00 - 8:00 pm on Google Meet. The evening will begin with a welcome from Principal Juan Raygoza.

A presentation about 9th grade at Berkeley High School will focus on the structure of the Universal 9th grade as well as course options and enrollment process. This is an essential step in the process of signing up for classes at BHS. Frequently Asked Questions and course enrollment overview information sheets for the 2022-2023 school year will be available before this event.

Our Course Catalog for 2022-2023 will be available in the spring. Here is a link to our current [course catalog](#) which will provide a glance at the elective offerings for next year. If any changes are made it will be reflected in the course catalog that will be available to BUSD middle schools in the spring. All students will be able to access the course catalog on our website.

This will be the only large information night at Berkeley High School for this school year. In early spring, Berkeley High staff will visit BUSD middle schools via Zoom and host smaller info nights, via Zoom, for students who are not currently in BUSD. We look forward to seeing you soon!

**You are invited to a Google Meet webinar.**

When: December 2, 2021 06:00 PM Pacific Time (US and Canada)
